

Chillicothe Telephone Customers

Extend Your Local Calling Area

What is the Extended Local Calling Plan?

In some areas of Ohio customers making telephone calls to local schools, county seats and even neighbors incur hefty toll (long distance) charges. To help consumers avoid these burdensome charges, customers of Chillicothe Telephone can now participate in the Southern Ohio Good Neighbor Plan that can reduce the cost of calls to contiguous exchanges, county seats and school districts.

Southern Ohio Good Neighbor Plan

Where can I call?

The plan offers flat rate calling from Bainbridge, Bourneville, Clarksburg, Frankfort, Hallsville, Kingston, Londonderry, Massieville and Richmond Dale to neighboring exchanges served by AT&T and Verizon. This plan does not replace any previous flat rate calling arrangements.

How much does it cost?

Residential customers can pay \$8 per month for 60 minutes of calling with additional calls billed at 10¢ per minute or pay \$15 per month for unlimited calling.

| Customers calling from: | Can call these exchanges: |
|-------------------------|---|
| Bainbridge..... | Greenfield, Idaho, Marshall, Rainsboro, Sinking Spring, Waverly |
| Bourneville..... | Greenfield, Idaho, Waverly |
| Clarksburg..... | Circleville, New Holland, Williamsport |
| Frankfort..... | Greenfield, New Holland, Washington Ct. House |
| Hallsville..... | Circleville |
| Kingston..... | Circleville |
| Londonderry..... | Jackson, Laurelville, McArthur |
| Massieville..... | Waverly |
| Richmond Dale..... | Jackson, Waverly |

Tips to select a calling plan

- **Evaluate your telephone bill.** Are there exchanges that you call more frequently than others? How many calls do you make per month? Do you need a plan that allows unlimited calling at a fixed price?
- **Evaluate your household needs.** Do you have children who call school friends or neighbors? Do you make a number of calls to family and friends?
- **Inform your household.** Talk about the calling plans with other household members. Once you have selected a plan make sure everyone knows what the plan permits.

Common terms

Extended Area Service: a customer's ability to place and receive calls from another telephone exchange without incurring toll (long-distance) charges.

Exchange: the geographical area for telephone service.

Flat rate calling: an unlimited number of calls for a fixed monthly charge.

Measured rate calling: priced by either the number of calls made, duration of the call, distance called and time of day or day of the week.
